Lifting Straps Leather

Gymstick Lifting straps eliminate grip failure and are great for pulling movement exercises. Make it possible to pull more weight and throw up more reps in the gym. Ideal for weightlifting, bodybuilding, powerlifting, and strength training, each pair of straps features cushioning to take pressure off the hands and wrists during heavy lifting.

Use on barbells, dumbbells, bumper plates and kettlebells to maximize gains in the gym with improved grip strength. Heavy duty stitching increases durability and the merrowed end tabs prevent fraying.
