CairO Pro

Gymstick CairO Pro is a professional-grade massage gun developed for the demanding use of athletes and all active people. It is a great tool for maintaining healthy and well-performing muscles and can be used before and after exercise. Due to the specifically shaped angle, the massage gun is an excellent choice for independent usage. The angle shaped design allows for an ergonomic and solid grip for the user, and helps massaging hard to reach muscles. CairO Pro brings power without sacrificing battery life. Five massaging speeds and multiple different massaging heads make the massage gun usable for all types of muscle tension. With the CairO Pro you will also receive a handy and modern stand, so the device can be stored conveniently.

- 2600 mAh / 24V battery
- Battery life with one charge 6,5 - 15h
- Maximum power 80W (continuous 35W)
- 10mm percussion length
- 5 speeds (1200rpm-3200rpm)
- 5 different heads for different usage
- Anatomically shaped angle
- Touch-screen
- Percussion counter
- Battery level indicator at the bottom of the handle
- Replacable battery
- 1 year warranty.

Massage Stick

The versatile design of the Gymstick Massage Stick massage hook is precisely designed for massaging different muscle groups and opening muscle membranes. The specially shaped ends of the massage hook are ideal for opening muscle masses. The massager was designed to be the ultimate massage tool since each therapy node and spike can be used on every part of the body from the neck to the feet. Even the hard to reach areas between the shoulder blades and mid-back are easily accessible with the massager. If you have pain, discomfort or soreness in any muscled area of the body, our tool was designed to reach them all with optimal leverage, ease of use and control. If you suffer from muscle knots, trigger points or myofascial pain syndrome (MPS) in the neck, shoulder, back, torso, thigh/hips, legs and feet and require healing and relief, the massager is the perfect massage therapy tool for you. Designed for maximum utility and ease of use, you now have the convenience of a professional chiropractor, physical therapist or masseuse in your own hands.
