Posture Corrector

Gymstick Posture Corructer is a tool to help you maintain proper posture throughout the day. Working at an office and sitting on a computer for 8 hours a days takes a toll on your posture, because the working position has your shoulders in front of your body all the time. Posture Corrector helps you maintain your shoulders behind at a neutral position, fixing your posture and thus reducing issues and pain. The product features adjustable straps to guarantee good fit for everyone.
